

Some helpful hints... : Read thru all instructions first

1. Make sure to engage the two halves fully and then securely tighten the 2 small bolts that connect the two halves of the picker frame together.

2. Practice loading

3. Go to Aircraft-tugs.com to see pic's of units if you have questions about the assembly..., or call us at 1-480-338-7686

**Best way to contact us = email:
jeff.irwin@aircraft-tugs.com
- I will respond**
